Now Pre-zen-Ting..., The REAL Da-Vinci CODE : Are you still living in **Cyber-Space** ?

A place where nothing is real and everything is **FICTIONAL** ? Can you say... **The MATRIX** ? Is it possible that modern man has been completely and thoroughly brain-washed and is in reality speaking with-in a **SECRET CODE of Diction** ? Is it even possible that the very Words that we are using Today, are actually *the Secret Code Words* from a very *sinister & totally corrupt under-world*, a *secret* Oc'cult society who has been ruling our world from the very beginning of time ? Is it possible that, the very Words that have been **Engineered** for us, when properly U.N.der-Stood, speak nothing more than about our total slavery and complete demise ? Words such as: "**Inter**"national," which means literally, "Bury the nations of the Father," referring specifically to Christianity. How about "**Vaccine**" which means; "**The cup of Burning Death**?" Did you know that "**PERSON**" is NOT a "Man?" Did you know that '**Man**' means '*a Criminal and a Sinner*?' Did you know that '**Child**' means '*Chilled*' and '*Killed*?' **Constitution is A Con!** *Contemplate...*

The- *MODERN-Day Bible Translations*

An *Expose'* On The-Problems In Modern-Day Translations

Exerts From Robert Young, of Young's Analytical Concordance To The Bible and YOUNG'S *Literal* Translation of the HOLY BIBLE:

"The inspiration of the Bible extends only to **the Original-Text, as it came from the pens of the Original-Writers**, therefore, not to any of the '*translations*' ever made by man, however aged, venerable, or good ; and only, in so far as any of these adhere to the Original – neither adding to nor omitting from it one particle – are they of any *real value*, to the extent that they vary from the original, the doctrine of *Verbal Inspiration* is Lost, so far as that '**version**' is concerned."

"A *strictly literal* rendering may not be so pleasant to the ear, as one where the *apparent sense* is chiefly aimed at, yet it is not *euphony* but *truth* that ought to be sought, and where in such a version as the one commonly in use in this country, there are scarcely *two consecutive verses* where there is some departure from the original, such as those indicated, and where these variations may be counted by *tens of thousands*, as admitted on all hands, it is difficult to see how verbal inspiration can be of the least practical use to those who depend upon that version alone."

Paraphrasing Robert Young.... *There is NO 'Future' tense in Hebrew, future tense is Expressed as 'Present' Tense... It is Done !*

Other Problems With The- *Translations* :

... "the Hebrew verb nathan (*sometimes also a noun*), which is rendered by the King James Translators in ***Sixty-seven different ways***"... -- *Robert Young*.

The above Final Quote by Young, expresses what CAN NOT BE, if one is guided towards the Truth in the Scripture. It is *IMPOSSIBLE* for one Ænglish *Word*, to do the business for sixty-seven other Hebrew, or Greek Words. This expresses nothing other than a FRAUD in our Modern Day Translations. Perhaps this is the reason King James had his 'Lamp Put Out,' which is an idiom that *means*, having your Seed-LINE Cut-Off; which is what happened when his son, King Charles had his head cut off. In other words, the '*evidence*' is, that King James was *cursed* ... and NOT 'Blessed' ... Evidently.

IN ESSENCE, the King James Bible is merely a theft of *intellectual property*, that was *stolen* from William Tyndale. The KJV is in all actuality, ninety percent William Tyndale, and all the KJV Translators had to do, was to REMOVE Anything, that had the potential to really set someone Free from the Government. ***They didn't want that.***

The above statement is a FACT of history that anyone can research for themselves, as I am looking at my COPY of Tyndale in front of me as I make this statement. Another fact is that, Tyndale's Introduction is the most *Sophisticated Introduction* in ALL of *Modern Translation History*. William Tyndale was in *Essence, an enlightened intellectual genius!* The only thing that the KJV 'controllers' had to do was to destroy the great work of Tyndale, cover it's true origin and then take credit for what was merely ***the Illusion of Religious Freedom*** . - *dezert-owl* See Appendix - A

What Is Truth ?

YahShuvah't replied, and Breathed, My Royal-House is Not from this World: if My Royal-House were of this World, then would My *servants* Fight for me, and I should not have been delivered then, to the-Yudeans, but now my Royal-House is No Longer from this World

Pilate *breathed*, YOU are a Royal-Ruler then? Yahshuvah't *replied*, You spoke correctly, that I am a Ruler : for this end I was born, and for this very end I came into the-world; and this is the-very-purpose why I came; I came so that I would announce the-pure '**Record**' for the-Truth; and every-one who is for the-Truth, can hear my voice

Pilate again breathed too him, **What is Truth ?**

Yahshuvah't replied, Truth, comes from the-Core of the-Lyghte'

Pilate then breathed, So, the-Truth is not found upon the-Æarth ?

Yahshuvah't replied before Pilate, Follow, that the-Truth is found on the-earth, but, it is only found among those, who when they are Ænlyghtened and Anointed with the-Power of Discernment and of pure-gudgement, are then '**Governed by the-Truth**' for then, they will always form what is called, **the-Right (j)gudgement**

A Phaysheool't-Targum Trans-Literation
the- Lost Words of Jesus / Yahshuvah't

“ There is a primary-zen-sea, or higher-sense, for every-word, from which all others have proceeded; and when-ever this can ever be discovered, then, this higher-sense, should then stand-first, with-in the-order ”

- Noah Webster 1828

“ If the-dichtome, the-diction, or the-dichshone, is not-correct, then what is being said, is not what is meant; and if what is being said, is not, what is meant, then what most be done, will remain left, undone; and if every-thing that is important, remains left undone, then all-truth, along with all-history, all-custom, and all-true-science, will all-soon deteriorate; and then, the-all-pure-justice will also go astray, and the-people will all, be standing around in a-helpless-state, in all-total-confusion. So, it is, for this very-reason, alone then, that there must be no arbitrariness, nor any-vague-ness, in what-ever is being said. This matters absolutely, in the-First-light-of-vision, 'absolutely', above every-thing else ”

- Confucius

“ in the years too come, the People of Conviction will need too become Bi-lingual ”

- **Maximus** Fifth Century Rome

“ The time has now come, that the-true-people of conviction, will need too be 'Tri-Lingual,' knowing both, the-common and the 'legal' diction, all in order, just to survive; but they will most especially need to comprehend what is the 'original-thought,' in order to escape this world alive; they will have too learn too see, and then read it, for them-self ”

One of the greatest challenges that we
have, when we are dealing with ancient
literature, is the- different use and
meanings, or implications of the-words
in each of the- respective ancient-
tongues *or* diction. Simply put, diction
can have force and power, or it can be
totally dead. The-English diction, for
example is totally 'dead.' and it is dead,
because it does not follow any of the-
natural-laws of diction. That is, none of
the original, root and universal-laws that
belong too basic-diction. There are a
number of them, but they never show it
too us in school.

The most basic law in diction, is that,
all Diction is supposed too sound as it
appears. Since the-English diction is
made up of many different tongue's, and
it is also, a controlled, engineered, and
bastardized diction that is not simple,
nor does it follow any of the-required
fundamental rules of diction. And this is
the-reason we constantly hear that
English is one of the-hardest forms of

communication there is too learn. The masculine and feminine characteristics have been taken out, some letters have more than one sound, etc., we even have sounds in our words that no letter can pronounce, as in the-word, *de jure*, from the French. But all diction, universally has behind it, a thread that holds it alle together within one Giant-Mystery and it is the-Mystery of **Symbol**

In The-Beginning Is The-Symbol, And The-Symbol, It Is A-Word, Alle Bye It-Self

Every single letter in its reality is a word, because it is an ancient picture or hiero-glif, Higher graphic that says something unique. Then combining two of the letters or pictures, yon get a combined or compounded thought, then three letters. Then these compound groups of to or three letters were used as a formula for the-proposed thought behind words. Then you add and change all of the- different vowels in order too obtain the-different meanings.

this is the-very-way that the-ÆEnglish diction has been manipulated by man, the-very men who control our diction as well as the-'public-opinion.' They control and change the basic letter forms when it suits them. Thus even controlling our very own way of thinking. So how do we reveal the-secret-meanings that, are captured behind the-words if we are never, ever taught the-true-nature and rules of diction? Or the- meaning behind the-Symbol?

this introduction is only a small attempt in opening up your mind, in seeing, that not only am I using the-truer-rules of diction here, but that, at the-same time I am presenting the-mysteries and even providing some answers right before your eyes, but even now, you perhaps, can't see, or understand them.

the-diction, in the-way that it is being presented here, is carrying an ancient theme, and it is telling a story behind the-story. But it is up too you and Devine, that is, the-'Vines' intervention; a little fasting, a little slowing down, a

 Upon further investigation you see that originally this was used for treason, or felony and that in the Fifth Edition, the definition changed to not limit this to treason or felony only, but to all proceedings. Also, more importantly you can see that in the first two editions, the word “...the court is **bound** to demand of him what he has to say as to why the court should not proceed to judgment against him;...” Don't you find it interesting that the FIFTH EDITION of BLACK'S LAW DICTIONARY drops the phrase, “...the- Court is **Bound** to demand of him...” ?

http://www.survivalblog.com/2011/03/beware_of_homeland_security_tr.html

I've been in law enforcement for the past 18
years. I have attended a variety of training
over those years. During the 1990s, most
training I attended was community-oriented,
sponsored by local agencies or private
companies specializing in police training.
Themes common to training of the past
included topics such as Constitutional rights,
community partnerships, youth-oriented
programs and problem-oriented policing.

During the past several years, I have
witnessed a dramatic shift in the focus of law
enforcement training. Law enforcement
courses have moved away from a local
community focus to a federally dominated
model of complete social control. Most
training I have attended over the past two
years have been sponsored by Department of
Homeland Security (DHS), namely the
Transportation Security Administration
(TSA) and Federal Emergency Management
Agency (FEMA).

No matter what topic the training session
concerns, every DHS sponsored course I
have attended over the past few years never
fails to branch off into warnings about
potential domestic terrorists in the
community. While this may sound like a
valid officer and community safety issue,
you may be disturbed to learn how our
Federal government describes a typical

<p>will hold the <i>security interest</i> over them forever, by the full operation of the <i>Law Merchant</i> under the scheme of <i>Secured Transactions</i>.</p> <p>For now on, all Americans, by, unknowingly <i>or</i> un-wittingly delivering the <i>Bills of Lading</i> (the birth certificates) to us, will cause them to be rendered <i>bankrupt</i> and <i>insolvent</i>, forever on to remain as <i>economic slaves</i> through Taxation <i>secured</i> by their <i>Pledges</i>. They will be stripped of all their <i>rights</i> (as <i>debtors</i>) and given a <i>commercial value</i> designed to make us a profit, while they will be none the wiser, for not one man in a million could ever figure our plans out, and, if by accident, one <i>or</i> two should ever figure it out, we have in our arsenal <i>plausible deniability</i>. After all, this is the only logical way to fund government, by floating <i>liens</i> and <i>debt</i> to the <i>registrants</i> in the form of <i>Benefits</i>, and <i>privileges</i>. This will inevitably reap for us huge profits beyond our wildest expectations and leave <i>every American a contributor</i> to this fraud, which we will call '<i>Social Insurance</i>'. (Socialist, Communism, Fabian, Facisim.)</p> <p>Without realizing it, every American will <i>insure</i> us (pledge allegiance) for any loss we may incur, and in this manner, every American will unknowingly be our <i>servant</i>, however begrudgingly. The people will become helpless and without any hope for their own <i>redemption</i> and we, we will employ the High Office of the <i>President of the United States</i> of our <i>Dummy CORPORATION</i>, to foment this plot, against America'</p> <p>See Bard, Birth, Commerce, Dun and Bradstreet, Handbook on Roman Civil Law, Hostage, Creature from Jekyll Island, Pledge of Allegiance, Security, Slave Trading, Surety, Wall Street</p> <p>Black's Law Dictionary / black law Dictionary The-book-of-black-law, as in Black-Magic. it is the- M.O. for the-Oc'cult to use code-identifierz on all the- Programs and things they do. just as half of the Kasarian Jewish Actors change their 'NAMES', so HENRY CAMPBELL BLACK would have been hand-picked for creating the BLACK-M.O. for the dictionary 'AT' black-law.</p>	<p style="text-align: center;">the-second-page-of-three.</p> <p style="text-align: center;">- Word-Definitions Appended -</p> <p style="text-align: center;">As Claimed By, john-jane: <i>from</i> the family of doe</p> <p style="text-align: center;">[Definitions Here For Above Words]</p> <p style="text-align: center;">the-third-page-of-three.</p> <hr style="width: 20%; margin: auto;"/> <p style="text-align: center;">See Definitions, dezert owl, Disclaimer, I.D.</p> <p>Birds <i>They don't</i> <i>Carry anything wyth them, but A</i> Song <i>- dezert-owl</i></p> <p>Blind <i>Blindness or Blind-Vail is a correct-root and an orig.-thought for Evil</i> <i>See Evil, Vail</i></p> <p>Blood <i>is a corr-root-metaph and an orig-thought for Fire. Officers are instructed how to recognize these domestic terrorists by their behavior, views and common characteristics. State data bases are kept to track suspected domestic terrorists and officers are instructed on reporting procedures to state and federal agencies. The state I work in, like many others, have what is known as a "fusion center" that compiles a watch list of suspicious people.</p> <p>So how does a person qualify as a potential domestic terrorist? Based on the training I have attended, here are characteristics that qualify:</p> <ul style="list-style-type: none"> * Expressions of libertarian philosophies (statements, bumper stickers) * Second Amendment-oriented views (NRA or gun club membership, holding a CCW permit) * Survivalist literature (fictional books such as "Patriots" and "One Second After" are mentioned by name) * Self-sufficiency (stockpiling food, ammo, hand tools, medical supplies) * Fear of economic collapse (buying gold and barter items) * Religious views concerning the book of Revelation (apocalypse, anti-Christ) * Expressed fears of Big Brother or big government * Home-Schooling * Declarations of Constitutional rights and civil liberties * Belief in a New World Order conspiracy <p>A Recent Training Session I Attended, encouraged Law Enforcement Agencies to work with business owners to alert police when customers appear to be stockpiling items. An example was given that a federal agent was monitoring customers at a well known hunting and fishing retail outlet and noting who was purchasing certain items. This is something to remember the next time you purchase a case of ammo at one of these popular outdoor sports retail stores.</p> <p>Methods of developing evidence of terrorist activity from virtually any search have also been discussed. Various common materials which may be associated with homemade explosives are listed, such as lengths of pipe, gunpowder, matches, flammable liquids and fireworks. Officers are told when these items are found, they can be listed as "bomb</p>

in the Buddha's day only the Brahman or the Brahmin, could mediate between the 'Gods' and men, only 'they' could conduct the Holy rituals that were said to preserve the very Universe itself

the Brahmin priests stood at the very pinnacle or top of a rigid social 'higher-archi' within the sacred system of cast. making materials". The training even goes so far as to instruct officers that the items are cleverly disguised as legitimate, such as gasoline stored near a lawn mower, pipes stored in a shop building or gunpowder stored with reloading materials.

One course I attended used the example of a person employed as a plumber being the target of a search warrant. In this example, the officers were told how to use his employment as a plumber as further evidence of terrorism. The suspect's employment would be described as an elaborate scheme to justify possessing pipes and chemicals so as to have bomb making materials readily available. Based on this example, all plumbers are potential pipe bomb makers. All gun dealers are plotting to provide arms to gangs or terrorists. All pest control companies are preparing mass poisonings. By using this logic, simply having the ability to do something criminal automatically makes the person guilty of plotting the crime. With all the various methods of manufacturing meth-amphetamine, it would also be easy to claim that a disassembled clandestine drug lab was located during the search. In other words, it is easy to frame anyone for possessing bomb making materials (or other crimes) if the officer knows what items to list in the report and how to link these items to terrorism.

Another common tactic used in DHS sponsored training is the slander of certain ideologies by linking an erroneous characteristic to a particular group. Here are some **Examples** :

* These groups hold the anniversaries of certain dates as significant such a Ruby Ridge, Waco and Hitler's birthday

* They oppose abortion, support gun rights and are affiliated with the Ku Klux Klan

* They are fearful of big government, espouse support for the Constitution and want to kill police officers

* These groups collect firearms, survivalist books and explosives

* These extremists read books such as Patriots, One Second After and The Anarchist Cookbook

* They are religious zealots, reading the book of Revelation, speak of the second coming of Christ and plan mass murders to summon the end of the world

* These people grow their own food, raise livestock and plot attacks on commercial food production facilities

Do you see how this tactic works? List

If A and B apply, then you should automatically presume C applies as well. If they were disturbed by the incidents at Ruby Ridge and Waco, then obviously they must celebrate Hitler's birthday. Officers are being conditioned to assume criminal and terroristic views when politically-incorrect views are observed. As simple-minded and ridiculous as this line of thinking is, there are some officers who unfortunately buy into this.</p> <p>Another training session I attended two years ago discussed the dangerous of people who have strong views of the U.S. Constitution. One trainer made the statement that "these people actually believe the Second Amendment gives them the personal right to own a gun." Of course, the trainer failed to mention that our Founding Fathers, as well as recent Supreme Court rulings, verify this view as being completely accurate. The obvious attempt here was to suggest to officers that the Second Amendment does not apply to individual gun ownership and to be suspicious of anyone who holds such a view. It was also stressed to be cautious of anyone who quotes the Constitution and even worse, actually possesses a copy of this radical document. Incredibly, in the United States of America today belief in our founding legal principles is now grounds for being labeled a domestic terrorism. Imagine how they would respond to some of the known statements of Thomas Jefferson, Patrick Henry or George Mason concerning the issue of individual liberty and limited government. It is true that one man's terrorist is another man's freedom fighter.</p> <p>There are several things that we, the patriotic, self-sufficient defenders of liberty can do to counter this effort. First, get involved in local elections. Elect county sheriffs who will not fall for such propaganda nor go along with oppressive federal agendas. Elect city council members who will not tolerate such behavior by their city police department. Elect state representatives who will hold state agencies accountable for participating in such tactics. Bring these issues up during elections, demand a public statement on their position on such propaganda and a promise to stand against these efforts while in office.</p> <p>Second, get to know your local law enforcement officers. It is much more difficult for DHS to brainwash officers against people they personally know. When</p>

For All Officials of Law And Defense

What You Can **NOW** Do To Help

We know that many of you today, are really caught between a rock and a hard place, and that you would really like to do the right thing, to really defend your homeland, your Oath of Office and the Bill of Rights..., but you CAN'T, because your higher-ups must have and support an agenda that is NOT American.

It is Fascist / Socialist / Communist / Marxist / Fabian / Babylonian / Hindu / Vatican Foreign Master, through the Bankers of Olde Europe.

It is the belief of many for now, that you can serve both ends. We do want you to keep your job, and to be there for the defense of our nation, and it's families. We all know how to be 'Politically Correct'... Right? So, do your job as you are told, but, when-ever you come across someone who says, that they have natural, *or* some other constitutionally supported unalienable Rights, simply be a True Blue American and Honor them, remembering your own Oath of Office., and your duty towards the people of your country.

And For Those Who Are In The Military

We know that those, who are at the Top of this pyramid in the black government, are preparing to shoot and destroy America in a gun round-up, and they have already tested our resolve at places like the burning of innocents at Waco Texas, and many other incidents.

We know that most of you are Honorable, and would *never* Shoot your own people, yet today, being '*politically correct*' means, that, when-ever you are asked questions on government surveys,

- My Lisalore -

O, has anyone out there, seen my Lisalore, who went sailing away past my window, and drifting out that door? And what was it that she said? Was she merely a dream in my own head, or a vision of light, donned with her Cleopatra hair as she spoke to me there in that night? I question this moment, since, never before has there been a moment quite like this one, to be locked away with-in the deepest dungeons of Hell, while falling headlong into that deeper dungeon, into those innocent chains of Love.

So, has anyone out there, seen my Lisalore, who went sailing away past my window, and drifting out that door? And what was it that she said? That I would write to you soon, now in days gone by as they fly, with yet, not a whisper, there's not a beat from her drum. Oh yeah, I have been condemned, yet there is no greater torture, than to have been whipped and flogged, by my Lisalore's Love. For it would have been better, never to have met her, to have seen her only in my dreams, just a woman with no name, in these, my nights of endless pain; for there at least, I was sane. But now, I am ten times more the condemned, for not knowing the reasons, why I don't see you again.

So, has anyone out there, seen my Lisalore, who went sailing away past my window, and drifting out that door? And what was it that she said? We spoke hardly a word, in the time that we spent, yet every line, with each word, every syllable I do recount. Her sweet sounding voice that echoed past my walls, it is that, that I now recall. Just like that old merchant, who counts up his coins, or polishes off his pearls, I now recount, those sacred sounds of her voice...., and what was it that she said? And can there be any other lady, more

of anything wrong, while I was lost right
there, within this Lisalore. But I never
had the moment there, too say; that I am
an innocent man, or that I have been
“framed” by the darkest of men. Beings
who are filled, with all ill and contempt,
for any justice, or Truth; who are now
rich for my pain; they are in the blackest
oc'cult, while they continue to rob me,
of my very own private good name. No,
no I couldn't tell her enough. I had not
the time too tell her, all about my Love
and devotion, for my own fellow man.
About my view for the sacredness of
everything in life, for every creature, no
matter how great, or how small. Of my
dedication towards good, for excellence,
and for my Great Father's Love, as a
Purified Wood. Of my efforts in
working for the betterment of man, as I
worked with my own two bare hands, in
an honest labor, while even spending my
very last dime, each and every time. For
my nation I stood, yeah, I stood for the
red, I stood for the tan, I stood for the
white, for the black, and the blue. I
stood for the weak, for the poor, for the
ignorant....., those slaves, and I stood
with the great, who I now ask, please.....,
“God Save.”

Yet I know, that she could still see
within me, with her deep perceptible
eye; it was my demeanor that she saw,
she could obviously sense my True aura,
as she opened up wide, the book of my
heart, while she smiled there at what she
saw.

So, has anyone out there, seen my
Lisalore, who went sailing away past my
window, never to be seen, or too be
heard from again by me, no not
anymore? And what was it that she
said? As her memory still lingers deep,
deep within my head. And what was it
that she said? Sure, I have heard of
Love at first sight. So could it have
been our late flowering age, and did we
reveal each other's light? Now having
experienced all of those indignities of
our time, one should indeed be tired of
that old song and rhyme. Tired of all of
those crooked games, that are too often
played, all totally insane, over, and over,
and over again. Like that old worn out

needle, on that old worn out record, with its scratches, its skips, and its bumps; that are all so perfectly memorized down deep within our minds. So experience would then demand, and then reach for a time, a time for the sweet sounds of True birds who could rhyme. All in a sweet simple melody, all within a sublime fidelity, all with meaning, with heart, and with chime. For experience, it is worth, at least, a thousand years, of many men's lives; and in my lifetime, I have spent up all of my tears. Left with nothing further to spend now, I am set Free; and my Freedom, is having endured, every ounce of my pain, forgiving all, seeking no one to blame, and with nothing left to fear. Yet, there is a pain, that I still now endure, for my just living, for the keeping of my pure, spiritual, and natural obligations; and for taking a stand, on this, my very own earth. So, who would want to play this world's kind of games anymore? All totally insane, with those secret trap doors, and all of its twisted corridors, through an endless haze of sweet injustices, in that endless drain, in endless days of a haze, where everyone else but "they" must pay. But now, she saw me to be true, perhaps she had "been there" to, just like all of those countless others, throughout all of those endless ages of time.

A man who has been granted a sensible vision, one who stands up-right, with a dignified, and honorable pride. Yeah, I would not ask anyone to do for me, that which I, could not do for myself; but I am now captured and subdued by these thick fortress walls, that barbed wire which is tied around my head, are like the thorns on Christ instead; now a prisoner who took the fall, as my Great-Father is my witness, before one and before all. So could you please, please tell that Lisalore, that it is now I who has called out for her, being pressed to that door? That it is now I who calls out for her, from deep within my own sacred Hall.</p> <p>So tell me, did you see my Lisalore, who went sailing away past my window, who now bleeds this chain of my heart, who went drifting away, past my door? And what was it that she said, as her memory still lingers deep, deep within my head? "You are so deep...", deep, yes, that's what she said. All with feeling and with heart, with an inner eye for perception, with a gentle caring in her words and thoughts. With the obvious thoughts of Love, in an attempt to open up wide, my very own silent door; a door that had now been shut for a long, long time, in a time that was unlike ever before, and since it was, never before. Yeah, she unlocked my door, obviously, yes, she was holding that key. She was opening up wide, my very own sacred door, too that majestic, and endless beauty that now unfolds. Unfolding as it is, right before you and I. Yes, it is as deep as anyone can get, deeper that anyone can see, or imagine, but as deep as anyone should be willing to go. It is deeper than those ancient hidden land-marks, buried by those centuries untold. As deep as that old Homeric bard, who has memorized, his very own immortal tune for the world at large, and for all of those future centuries of doom. It would last, all into the day, and then into that night, deep, deep into that darkness, of the smoke and the dew, just as everyone else did too. Thus, in hindu-law, an idol has standing in court, in order too enforce its own right(s). See, e.g., pramatha nath mullick y pradyumna kumar mullick, 52 l. r. i. a. 245; 1925. Day - This Day -

Look Towards This Day for Today there is Lyfe and it is the very Lyghte of Lyfe.

In its brief but never ending course, lie all the realities and all of the Truths, that are all found wyth-in, that are alle found hiding deep wyth-in our very own existence, the- Miraculous- Wonder of Growth, and the Development of Lyfe, the Ænd-less Power of Lyghte and the very Lyghte Splendor with in alle of it's continual Action.

A Today well Lyved makes each and every tomorrow, a vision for the greatest expectation and for this reason, every yesterday as becoming the completed Vision of Peace, of Love, and O True Consciousness.

It is for this reason then, that you

no longer cares, of which he no longer owns. Emptiness and blind ignorance, that too, is just another total enslavement of man. Yes, it has happened again, just like it has happened, time and time before; the enslavement of man, once again, just like the enslavement of never before, the enslavement of man once again, by my own **Lisalore**.

My Lisalore, and The Woman – My Fiery Magma, were written towards the end of a twenty-six month long odyssey, where I fell victim to an "MK Ultra" Mind Control government conspiracy, that placed, and then tortured me in jail, tried to declare me insane, but instead "tried", and then sentenced me to "Life Without Mercy"; the maximum penalty, for what is now, the "record" for the longest case in West Virginia's history. But, in the end, my Great Father of Light, and His son, Jesus, The Christ, set me free.

So you must always beware, of Free (slave)Masons, and attorneys, since a day in Brooke County, is not just "another day", when it is, that only Free Masons (the secret hand-shake club) "agents" of the British Crown, think that only Free Masons and attorneys should be sovereign and free, while everyone else, should be a slave, of their secret little, tyrannical, little boys game, of control, extortion, fraud, highway robbery, child kidnapping, rape, murder, drug running, prostitution, the spying on, and the selling out of their neighbors, all under the guise of "Law" En-FORCE-ment, you name it. In their secret oaths, they have already, in advance, all agreed to tell lies against all of the American people, as one of their pure and moral obligations, for their "secret" cause, a "Scottish Rite –

Georgia Guide- Stones

the Georgia Guide-Stones are a large granite monument in Elbert County, Georgia, USA. A message comprising ten guides is inscribed on the structure in eight modern languages, and a shorter message is inscribed at the top of the structure in four ancient languages' scripts: Babylonian, Classical Greek, Sanskrit, and Egyptian hieroglyphs.

The NWO Plan for Global- Genocide

A Message consisting of a set of ten guidelines or principles is engraved on the Georgia Guide-Stones in eight different languages, one language on each face of the four large upright Grave-Stones. Moving clockwise around the structure from due north, these languages are: English, Spanish, Swahili, **Hindu**, Hebrew, Arabic, Chinese, and Russian.

1 Maintain humanity under 500,000,000 in perpetual balance with nature.

2 Guide reproduction wisely — improving fitness and diversity.

3 Unite humanity with a living new language.

4 Rule passion — faith — tradition — and all things with tempered reason.

5 Protect people and nations with fair laws and just courts.

6 Let all nations rule internally resolving external disputes in a world court.

7 Avoid petty laws and useless officials.

8 Balance personal rights with social duties.

9 Prize truth — beauty — love — seeking harmony with the infinite.

Hebrew Gospel of Matthew

First Discovered in an England
Antique Shop, Hugh J. Schonfeld
discovered the **Missing Text** of the
Hebrew Gospel of Matthew in what
was known as the **Du Tile-** Line.

George Howard later published the
Shem Tab Collection being quietly
held by Jewish Israeli's.

Hebrew Script the Hebrew Square
Root Script came inn-too existence and
form during the exile of Israel into
Babylon. the exact story of when and
how this happened is all found in the-
Apocrypha, (which was removed from the
KJV in c 1660) in 2nd Esdras (Ezra) 14:42
where it reads : *More-Over, the- Most-
High gave understanding to the five men
and bye turns, they wrote what was
dictated, using characters that they did
not know.* NRSV the- K.J.V. totally
destroys this sense not making any
reference to these New Letters, the
Catholic Douay-Rheims STOPS at the
end of the 13th chapter and the LXX
removed the entire Book of 2nd Esdras.

Here-in lies **A Smoking Gun** of very
Great- Import for all of Man-kind, that
was *changed* and *or ripped-out* by the
priest-hoods, in order to *deny us* the

their dirty work....

The- Vatican wanted too *Create* a
messiah for the Arabs, someone they
could raise up as a great leader, a man
with charisma who they could train, and
eventually unite all the non-Catholic
Arabs behind him... creating a mighty
army that would ultimately capture
Jerusalem for the pope. -- Jack Chick,
The Prophet, Alberto part 6, Chick
Publications, pp. 5, 18.

Here we see that the Catholic Church
desperately wanted *control of Jerusalem*
because of its location and its great
religious significance. They wanted to
use the Arabs to grind the Jews and
Christians into the dust so they could
take over Jerusalem. The Vatican also
invented a 'messiah' figure from among
the Arabs around whom the Arab world
would unite.

A wealthy Arabian lady, who was a
faithful follower of the pope, played a
tremendous part in this drama. She was
a widow named Khadijah.... Her job
was to find a brilliant young man who
could be used by the Vatican to create a
new religion and become the messiah
for the children of Ishmael

Truth about our own ancient History and Legacy.

It is well known that the first half of the book of Daniel was written in the pure Aramaic and then half way through it changes into the New Hebrew Script, with-out any explanation at all.

You Now have the explanation.

The other part of this story is, that even though Ezra received this pure script to maintain a cultural identity for a people who were banished from their own homeland, no sooner did they take it back too Jerusalem with them, it became corrupted by the *other* priests who also brought back with them the Hindu *originated* Babylonian Talmud.

The

Hegelian - Dialectic - Principle

Problem – Reaction – Solution

Thesis – Antithesis – Synthesis

The Master- Slave Dialectic Ger :

The Lord-Ship- Bondage Dialectic
the Revolutionaries within governments have waged *covert* war on the people by creating *economic chaos* as in Shortages in food, fuel, confiscatory taxation, a *crisis* in education, *the-continual- threat* of war and other *diversions* to condition the people for the New World / Olde-World ancient oc'cult disorder of *control*.

the Technique is as old as is politics itself. It is the Hegelian Principle, credited to G.W.F. Hegel, of bringing about 'CHANGE' in a three step process:

Thesis – Antithesis – Synthesis

Sin-Thesis

First Step : Thesis, is to Generate a Problem Using their *Secret- Societies*

Second Step : Anti-Thesis, is to Create an opposition to *that* problem,

Jesuit Oath

EXTREME OATH AND

INDUCTION

of the

SOCIETY OF JESUS

When a Jesuit of the minor rank is to be elevated to command, he is conducted into the Chapel of the Convent of the Order, where there are only three others present, the principal *or* Superior standing in front of the altar. On either side stands a monk, one of whom holds a banner of yellow and white, which are the Papal colours, and the other a black banner with a dagger and Red Cross above a Skull and Crossbones, with the word INRI, and below them the words IUSTUM NECAR REGES IMPIUS. The meaning of which is: It is just to exterminate or annihilate impious *or* heretical Kings, Governments, *or* Rulers. Upon the floor is a Red Cross at which the postulant *or* candidate kneels. The Superior hands him a small black crucifix, which he takes in his left hand and presses to his heart, and the Superior at the same time presents to him a dagger, which he grasps by the blade and holds the point against his heart, the Superior still holding it by the hilt, and thus addresses the postulant: (The Superior speaks:) My son, heretofore you have been taught to act the dissembler: among Roman Catholics to be a Roman Catholic, and to be a spy even among your own brethren; to believe no man, to trust no man. Among the Reformers, to be a Reformer; among

such as with : **fear, panic, hysteria, etc**

Third Step : Synthesis, is to offer up the 'Solution' to that very 'Problem' created in Step One... a very 'CHANGE' that would have been **impossible** in any way to impose on the people without the proper psychological *conditioning* achieved in stages One and Two.

Applying the Hegelian Principle and *irresistible* Financial Influence, with concealed mattoids, seek to dismantle social and political structures, by which free men govern themselves, witness the ancient landmarks that have been erected at the great cost of blood and possessions.

Their Prime Objective is to infiltrate and permanently *emasculate* any potential sovereign state, and *merge* all nations under universal government, *centralize* all economic structures and powers, being in full control of all the worlds people and resources, it is nothing other than *perfected Modern Day Slavery*.

the Huguenots, to be a Huguenot; among the Calvinists, to be a Calvinist; among other Protestants, generally to be a Protestant; and obtaining their confidence, to seek even to preach from their pulpits, and to denounce with all the vehemence in your nature our Holy Religion and the Pope; and even to descend so low as to become a Jew among Jews, that you might be enabled to gather together all information for the benefit of your Order as a faithful soldier of the Pope. You have been taught to plant insidiously the seeds of jealousy and hatred between communities, provinces, states that were at peace, and to incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in countries that were independent and prosperous, cultivating the arts and the sciences and enjoying the blessings of peace; to take sides with the combatants and to act secretly with your brother Jesuit, who might be engaged on the other side, but openly opposed to that with which you might be connected, only that the Church might be the gainer in the end, in the conditions fixed in the treaties for peace and that **the end justifies the means**.

You have been taught your duty as a spy, to gather all statistics, facts and information in your power from every source; to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, in parliaments and legislatures, and the judiciaries and councils of state, and to be all things to all men, for the Pope's sake, whose servants we are unto death. You have received all your instructions heretofore as a novice, a neophyte, and have served as co-adjurer, confessor and priest, but you have not yet been invested with all that is necessary to command in **the Army of Loyola** in the service of the Pope. You must serve the proper time as the instrument and executioner as directed by your superiors; for none can command here who has not consecrated his labours

Commonly known as

John

What Is Implied, Is What It Should Breathe !

- Chapter 1 -

1 At the- First Instant of the Darkness, there appeared the Greight t'Symbol of Lyghte, being A- Roaring, Flaming- T'Sword of Fire and Gudgegment. Now, this Royal- Flaming- t'Sword is with, Yahvehe't, Ælovehe-God, and this-Royal-Flaming t'Sword is found wythin the-Æloveheim.

2 This identical-Principle is from the-very-Beginning and is always found wyth-inn the-Æloveheim.

3 All things are then made bye Her and without Her, there is nothing that is ever made, that She did not make.

4 In Her is to be found the-Duality and the-Vyvification for all of Lyfe and this Vyvification fore Lyfe is the-Lyghte, that shines for all the-Blood of the Æarth.

5 And this Great-Lyghte and Royal-Flaming- t'Sword- wythin- the-return-of-Fire, shines- brightly with- inn, the-outer-darkness, pointing with- inn every direction; but still, those who live within the- outer- darkness, can- not see, comprehended, endure, nor receive this pure-Great-Lyghte.

<p><i>See</i> Sun Tzu - the Art of War</p> <p>Mind- Control The Dictionary <i>defines</i> the word Mind as the place where thinking occurs. the word</p>	<p>Mistranslation of Scripture</p>	

Control means to regulate, direct or exercise authority over. the term 'Mind Control' then refers to a broad-spectrum of psychological- techniques, both internal and external, ranging from simple control of information to trauma-based mind control, designed to regulate, direct or exercise authority over the mind and thus over thinking, feeling and willing.

There are two kinds of Mind Control:

Negative and Positive Mind Control

Negative Mind Control subverts an individual's, a group's or a population's ability to regulate, direct or exercise autonomous authority over their own thinking, behavior, feelings and emotions with-out their conscious awareness and therefore without their consent. the Objective of Mind Control is to build a conditioned response in the subconscious of the targeted individual, group or population. one can also unknowingly program one's own mind with negative programming by repeated negative thoughts, feelings and emotions that build a conditioned response whereby one responds to the newness of the present moment experience with thinking, feelings and emotions rooted in the past as memories that interfere with, obstruct and prevent the full and genuine experience of the present moment,

So-called positive thinking and the application of the principles of mental programming and conditioning for positive change also fall into the category of negative mind control because even though directed towards apparent positive change, they are not in alignment with the highest and true meaning of positive mind control meant for the highest good of all.

Positive Mind- Control is the action of intentional, conscious control of all thoughts, feelings and emotions to maintain a pure, thought-free state of mind that is experienced as Pure Being. Realizing and abiding in this pure state is the goal of all bonafide spiritual practice. this is the holy, natural and original state of Pure Awareness underlying Pure Consciousness, the-

The Muslim religion is the fastest growing religion per ca-pita in the United States , especially in the minority races! Last month I attended the annual training session that's required for maintaining my state prison security clearance. During the training session there was a presentation by three speakers representing the Roman Catholic, Protestant and Muslim faiths. Each speaker explained his respective religion's beliefs. I was particularly interested in what the Muslim (Islam) had to say. The Muslim gave a great presentation of the basics of Islam, complete with a video. After the presentations, time was provided for questions and answers. When it was my turn, I directed my question to the Muslim and asked: 'Please, correct me if I'm wrong, but I understand that most Imams and clerics of Islam have declared a holy jihad [Holy war] against the infidels of the world and, that by killing an infidel, which is a command to all Muslims) they are assured of a place in heaven. If that's the case, could you give me the (your) definition of an infidel?' There was no disagreement with my statements and, without hesitation, he replied, 'Non-believers!' I responded, 'So, let me make sure I have this straight. All followers of Allah have been commanded to kill everyone who is not of your faith so they can have a place in heaven. Is that correct?' The expression on his face changed from one of authority and command to that of a little boy who had just been caught with his hand in the cookie jar.' He sheepishly replied, 'Yes.' At first I was excited to see a black candidate. He looked youthful, spoke well, appeared to be confident -- a wholesome presidential package. I was put off soon, not just because of his shallowness, but also because there was an air of haughtiness in his demeanor that was unsettling. His posture and his body language were much louder than his empty words. Obama's speeches are unlike any political speech we have heard in American history. Never a politician in this land had such quasi "religious" impact on so many people. The fact that Obama is a total incognito with Zero accomplishment, makes this inexplicable infatuation alarming. I continued, 'I also have a problem with being your friend when you and your brother clerics are telling your followers to kill me! Let me ask you a question: Would you rather have your Allah, who tells you to kill me in order for you to go to heaven, or my Jesus who tells me to love you because I am going to heaven and He wants you to be there with me?'

You could have heard a pin drop as the Imam hung his head in shame.

Needless to say, the organizers and/or promoters of the 'Diversification' training seminar were not happy with my way of dealing with the Islamic Imam, and exposing the truth about the Muslims' beliefs.

our time. All these men had a tremendous influence over their fanciers. They created a personality cult around themselves and with their blazing speeches elevated their admirers, filled their hearts with enthusiasm and instilled in their minds a new zest for life. They gave them hope! They promised them the moon, but alas, invariably they brought them to their doom.

When you are a victim of a cult of personality, you don't know it until it is too late. One determining factor in the development of NPD is childhood abuse "Obama's early life was decidedly chaotic and replete with traumatic and mentally bruising dislocations," says Vaknin. Mixed-race marriages were even less common then. His parents went through a divorce when he was an infant two years old. Obama saw his father only once again, before he died in a car accident. Then his mother re-married and Obama had to relocate to Indonesia, a foreign land with a radically foreign culture, to be raised by a step-father. At the age of ten, he was whisked off to live with his maternal (white) grandparents. He saw his mother only intermittently in the following few years and then she vanished from his life in 1979. "She died of cancer in 1995."

One must never underestimate the manipulative genius of pathological narcissists. They project such an imposing personality that it overwhelms those around them. Charmed by the charisma of the narcissist, people become like clay in his hands. They cheerfully do his bidding and delight to be at his service. The narcissist shapes the world around himself and reduces others in his own inverted image. He creates a cult of personality. His admirers become his co-dependents. Narcissists have no interest in things that do not help them to reach their personal objective. They are focused on one thing alone and that is power. All other issues are meaningless to them and they do not want to waste their precious time on trivialities. Anything that does not help them is beneath them and does not deserve their attention.

If an issue raised in the Senate does not help Obama in one way or another, he has no interest in it. The "present" vote is a safe vote. No one can criticize him if things go wrong. Those issues are unworthy by their very nature because they are not about him.

Obama's election as the first black president of the Harvard Law Review led to a contract and advance to write a book about race relations. The University of Chicago Law School provided him a lot longer than expected and at the end it evolved into,

My pure- Mother of Lyghte,
For this Burden I was Born and it is
My Chosen- Destiny . . .

These were The- Very Last Words
 Jesus / YahlShuvah't breathes too his

guess what? His own autobiography! Instead
 of writing a scholarly paper focusing on race
 relations, for which he had been paid,
 Obama could not resist writing about his
 most sublime self. He entitled the book
 Dreams from My Father.

Not surprisingly, Adolph Hitler also
 wrote his own autobiography when he was
 still a nobody. So did Stalin. For a narcissist
 no subject is as important as his own self.
 Why would he waste his precious time and
 genius writing about insignificant things
 when he can write about such an august
 being as himself?

Narcissists are often callous and even
 ruthless. As the norm, they lack conscience.
 This is evident from Obama's lack of interest
 in his own brother who lives on only one
 dollar per month. A man who lives in
 luxury, who takes a private jet to vacation in
 Hawaii, and who raised nearly half a billion
 dollars for his campaign (something
 unprecedented in history) has no interest in
 the plight of his own brother. Why? Because
 his brother cannot be used for his ascent to
 power. A narcissist cares for no one but
 himself.

This election was like no other in the
 history of America. The issues were
 insignificant compared to what is at stake.
 What can be more dangerous than having a
 man bereft of conscience, a serial liar, and
 one who cannot distinguish his fantasies
 from reality as the leader of the free world?

I hate to sound alarmist, but one is a fool
 if one is not alarmed. Many politicians are
 narcissists. They pose no threat to others.
 They are simply self-serving and selfish.
 Obama evidences symptoms of pathological
 narcissism, which is different from the run-
 of-the-mill narcissism of a Richard Nixon or
 a Bill Clinton for example. To him reality
 and fantasy are intertwined.

This is a Mental Health Issue, **not just a**
Character Flaw.

Pathological narcissists are dangerous
 because they look normal and even
 intelligent. It is this disguise that makes
 them treacherous. Today the Democrats
 have placed all their hopes in Obama. But
 this man could put an end to their party. The
 great majority of blacks voted for Obama.
 Only a fool does not know that their support
 for him is racially driven. This is racism,
 pure and simple.

The downside of this is that if Obama
 turns out to be the disaster I predict, he will
 cause widespread resentment among the
 whites. The blacks are unlikely to give up
 their support of their man. Cultic mentality
 is pernicious and unrelenting. They will dig

in Psalm 46 of the KJV Bible, count down 46 words, then starting with the- Last word of Psalm 46 count up 46 words, reading down you will get *Shake* and then reading up you get *Spear*, in other words *Shakespeare*.

Francis Bacon used the-pen-name *William Shakespeare* and wrote a series of plays that contained secret- messages wyth-inn for *the-Secret-Societies*, he also stole the-Most Excellent of Bible Translations by William Tyndale, and retranslated it for the *Secret-Society* and then gave credit for it to, Scottish- Rite, King James the- III of Scotland, who then became Scottish- Rite, King James the-First of Ængland.

the-Sacred- Scriptures say that, if anyone does *anything improper* with the- scriptures, then they will have their *Lamp put out*, this is an idiom for 'having your seed-line cut-off.' after King James was ousted from the-throne his son King Charles was soon deposed and had his head cut-off. Need I say more?

Presumptive Letter

The type of letter that one party writes to his adversary *or* opponent regarding disputes in lawful *or* legal matters

The letter author makes his claims, charges, averments and statements, based only in truth, fact, valid law and evidence, to the letter recipient. The term *presumptive* is used because the writer presumes that everything he states in the letter is true and correct, unless it is rebutted in writing by the letter recipient, which rebuttal must be supported with **true facts, valid law and evidence**

The first and last paragraphs of the letter are the *presumptive paragraphs*, which present a lawful notice and a lawful warning to the letter recipient.

A Sample Text of The-First Presumptive Paragraph Follows

“This letter is lawful notification to you, pursuant to The Bill of Rights of the National Constitution, in particular, the First, Fourth, Fifth, Sixth and Ninth Amendments, and The Bill of Rights of the New Mexico Constitution, in particular, Sections 1, 2, 3, 4, 10, 17 and 18, and pursuant to your oath, and requires your written response to me specific to the subject matter. Your failure to respond, within 30 days, as stipulated, and rebut, with particularity, everything in this letter with which you disagree is your lawful, legal and

binding agreement with and admission to the fact that everything in this letter is true, correct, legal, lawful and binding upon you, in any court, anywhere in America, without your protest or objection or that of those who represent you. Your silence is your acquiescence. See: *Connally v. General Construction Co.*, 269 U.S. 385, 391. Notification of legal responsibility is “the first essential of due process of law.” Also, see: *U.S. v. Tweel*, 550 F. 2d. 297. “Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading.”

This type of letter is very different from the typical letter that most people write to try to resolve disputes. It is used primarily by American Citizens who address unconstitutional, unlawful actions committed against them by any form of government, government officers and/or corporations, which are creatures of the government. Since the author is based only in truth, fact, valid law and evidence, it is virtually impossible for the recipient to truthfully rebut the charges and claims made in the letter supported by truth, fact, valid law and evidence. In the vast majority of such situations, the recipient fails to respond; thus, his failure invokes the lawful warning, by which he admits to the letter author's charges, fully binding upon the recipient, in any court, without his protest, objection or that of those who represent him, meaning his attorneys.

The **second presumptive paragraph** serves as a reminder of the cautions in the first presumptive paragraph and reads, as follows:

If you disagree with anything in this letter, then rebut that with which you disagree, in writing, with particularity, to me, within 30 days of this letter's date, and support your disagreement with evidence, fact and valid law. Your failure to respond, as stipulated, is your agreement with and admission to the fact that everything in this letter is true, correct, legal, lawful, and is your irrevocable agreement

Prisons

A PRESS REVIEW

America's *Brutal* Prisons

Everyone should be *concerned* about "America's **Brutal Prisons**;" as from behind "The Green Wall," comes out THE MOST POWERFUL EXPOSE EVER by X-Prison Guard, D J Vodicka, on the worst prison systems in the world. They are NOT built nor intended to rehabilitate, but instead, behind it all, lies one of the greatest "Experiments" on Human Psychology, Behavior, Slave Labor, Torture, and Mind-Control.

How can it be, that the people who are in control today, are actually more criminal and more sinister in their behavior, than the very people that they are supposed to house and "protect"? May God Help, "our" helpless prisoners in America today, who are now reduced to being captured "chattel" property and legally DEAD, while approximately seventy percent of those who are in prison today are actually INNOCENT of having committed any real crime!!!

So now that the REAL Truth is "known," who will go after the *REAL criminals* who are standing there holding those precious Keys over Life and over Death?

Thank You D. J. Vodicka, our Number One Prison Guard in America Today, for being so brave and **Coming Out**, while *Breaking their C-O-D-E- of Silence*; YOU are Truly **An American Hero!** No American, *nor anyone else for that matter*, ever deserves to be **T.o.r.t.u.r.e.d..., EVER**

Sovereign

Solvereighn *or* **Solvereighn't**

A Sovereign, pure, natural *and* non-
adulterated *from* the Beginning. the-
True-Sovereignty is found wyth-inn the-
Lyghte of-the-t'Svn/ Sun/ Son.

2 a True Sovereign is Free from Sin
or having his Eyes-Closed

See Black's, Eye's-Closed,
Natural, Reign, Sun, Sin, Solvereighn, Sovereign

3 since in the common usage the
term PERSON does not include the
sovereign, the statutes, laws, rules,
CODES, etc, not using the Term
Sovereign, are Ordnarily constructed to
exclude it. so, if any law, statute, *or*
some CODE Section says PERSON, it
is definately NOT referring to a
sovereign, but rather, it is referring to a
Contractual- PERSON, as in a Trust.

Sovereignty *or* **Sovereignty**

make herself at home; for truth can find
her way through any crevice, any
window, any open door.

11 The rabbi said, What hand is strong
enough to open up the windows and the
doors of mind so truth can enter in?

12 And Jesus said, It seems to me that
love, the golden cord that binds the Ten
Commands in one, is strong enough to
open any human door so that the truth
can enter in and cause the heart to
understand.

13 Now, in the evening Jesus and his
mother sat alone, and Jesus said,

14 The rabbi seems to think that God is
partial in his treatment of the sons of
men; that Yudeans are favored and are
blest above all other men.

15 I do not see how God can have his
favorites and be just.

16 Are not Samaritans and Greeks and
Romans just as much the children of the
Holy One as are the Yudeans?

17 I think the Yudeans have built a
wall about themselves, and they see
nothing on the other side of it.

18 They do not know that flowers are
blooming over there; that sowing times
and reaping times belong to anybody, as
well as Yudeans.

19 It surely would be well if we could
break these barriers down so that the
Jews might see that God has other
children that are just as greatly blest.

20 I want to go from this Yudean land
and meet my relations in other countries
of my Father-land.

Standing

The legal right to initiate a lawsuit. There are three requirements for Article III standing: (1) injury in fact, which means an invasion of a legally protected interest that is (a) concrete and particularized, and (b) actual or imminent, not conjectural or hypothetical; (2) a causal relationship between the injury and the challenged conduct, which means that the injury fairly can be traced to the challenged action of the defendant, and has not resulted from the independent action of some third party not before the court; and (3) a likelihood that the injury will be redressed by a favorable decision, which means that the prospect of obtaining relief from the injury as a result of a favorable ruling is not too speculative. *Lujan v. Defenders of Wildlife*, 112 S. Ct. 2130, 2136 1992 *Lujan*. The party invoking federal jurisdiction bears the burden of establishing each of these elements. Id

In deciding whether xxx has standing, a court must consider the allegations of fact contained in xxx's declaration and other affidavits in support of his assertion of standing. *See Warth v. Seldin*, 422 U.S. 490, 501 1974 *Warth*. *See also* *Warth*, 422 U.S. at 501 When addressing motion to dismiss for lack of standing, both district court and court of appeals must accept as true all material allegations of the complaint and must construe the complaint in favor of the party claiming standing. What Is Implied, Is What It Should Breathe!

Coptic Codex : 32:01 :

These are sayings that, were also revealed to him in *A Mystery....*

Then He quickly disappeared from out of their presence.

Then, when *he came up to his fellow disciples; and he related to them the- things, that the- Redeemer and Savior Jesus, the-Christ, Spoke to him.

Amen.

Coptic Codex : 32:09 :

The- Great-Mystery.

000 Here, Are The Mysterious Sayings, that are spoken, by, the-One, who rose-up Alive; On the duality of nature, with- in *the-Light of the Son*, as they are clearly written within the stars of the air.

Falling On-Too The- Word.

001 He *Spoke and Said* the-following: When ever any one finds The Deeper Meaning for this Word, this is *The-Moment* then, when, he will no longer know Death.

A- Fire- Storm Upon The- Æarth.

010 He *Spoke and Said* the-following : I have ignited A fire-storm up-on the institutions of this world; so you must see it and then, you must read it for your-self ; as I am fanning it very quickly now, until it becomes a blinding and a blazing-light, for all of the world too see.

Who Is Your Father?

015 He *Spoke and Said* the-following: When Ever Any One of You, should look up-on he, who is not born of The- Woman, you should then, prostrate your self, up-on the-ground, cover your face before the-Sun and pay your homage, because The-One that you see, is indeed

<p>This STATE 2 The 'Place' called 'This State': 1. An abstract place. This is a phrase found in the state codes that intends to leave one with the impression that it means and refers to the state whose</p>	<p>Trees- Sons the- <i>mod</i> Treason the- Trees-Sons are those who <i>Crafted</i> the-Ships in the-Beginning out of Trees, and then set out too Conquer the-World. <i>so the-term Trees-Sons has always been in reference too the-Merchants and the-Craft, hence the-word Traitors / Traders</i> <i>See</i> Ax, Craft, Canaanites, Commerce, Builders, Masons, Merchants,</p>	

<p>legislature produced that code. But, that's not what it means. The "place" called "this state" isn't tangible. It's abstract. To make it less abstract and more tangible, picture the landmass consisting of 48 contiguous states, plus DC, Alaska, Hawaii, American Samoa, Guam, Puerto Rico, the Virgin Islands, and the rest of the territories and protectorates. Now, above that land mass, picture a clear acrylic layer hovering 25 feet above the land. To see that acrylic layer is to see "this state." <i>This author refers to 'this state' as 'the Hover Zone.'</i></p> <p>2. The abstract place in which "states" are but "counties." In "this state," what most people think of as a "state" is but a "county." Picture "this state" as one "state" that is equivalent, geographically, with the United States. In "this state," there are no State boundaries or borders, in the traditional sense. The capital of "this state" is DC, with the prospect of it's becoming NYC, given that the U.N. sits in NYC.</p> <p>3. A federal area or federal zone, i.e., a place that acts like a nation, in that it provides a distinct choice of law. The "place" called "this state" is a federal area, or a federal zone, of the type created in/by The Buck Act. It's a marketplace in which "credit" is the medium of exchange, rather than an honest system of weights and measures. In "this state," the medium of exchange is "printed paper," as in debt instruments, except it's not really debt, as such. It's "credit." Circulation of such medium of exchange is rendered legal solely as the direct result of the system's foundational choice of law as the Law of the Sea.</p> <p>4. A choice of law. The phrase "this state" is not as much a geographic reference as a "choice of law" reference. The "choice of law" of "this state" extends to all places in which "federal reserve notes" are an accepted medium of exchange. With that medium of exchange goes the associated choice of law. A medium of exchange is the best evidence of that system's foundational choice of law, of which there are but two: the Law of the Land,</p>	<p>Phoenecians, Traders, Traitors Anagram : Nosh- Art <i>lit impl</i> the- Knowledge of All Things as they went <i>Every- where</i></p> <hr/> <p>Tribulation <i>In this World</i> <i>you will have Tribulation</i>, but maintain your Perfect Ænlyghtenment and Peace for I have Over-come this World <i>- Jesus, the- Christ</i></p> <hr/> <p>Troothe <i>means the Breath from the-</i> <i>Beginning of the Trees Root-Eye</i> <i>See Lo, Th, Trees-root, Truth,</i> <i>Truth-from-the-Trees-root, Verily</i></p> <p>True Breath <i>mod</i> Oath</p> <p>True Life the- <i>orig-tho lit</i> Love or the-True-Æve Through-Out All- Time <i>See Ællovehe't, Eloveheim, Evolve, Love, PH,</i> <i>V</i></p> <p>True Ray the <i>mod</i> Ore</p> <p>True Sounds of the-Mother the- <i>mod</i> Amo <i>See Ammunition, Amo, Mo, Oma, Star,</i> <i>Toma, Thomas</i></p> <hr/> <p>Trust <i>The True Test of Love is not how</i> <i>you give, but how fully you can</i> <i>Receive</i> <i>To be the "giver" is easy. BY THOMAS WARD

25, ANGESNA STREET, DUBLIN,

1st July, 1841

- PREFACE TO THE FOURTH EDITION -

The publication of “Ward’s Errata to the Protestant Bible” has disclosed a most curious and important fact, that the *scriptural* church of England and Ireland was originally founded on a false translation of the scriptures. It was the boast of the first reformers that, they had emancipated their disciples from the shackles of Catholic despotism, and had restored to them the freedom of the children of God : it now appears, that this ‘freedom’ consisted in reading an erroneous version of the inspired *sacred* writings, and venerating as the dictates of eternal Wisdom the blunders of ignorant, or interested [*people with something to gain*] translators. “The scriptures,” they exclaimed, “... are the sole rule of faith. Here they are, no longer concealed under the obscurity of a learned language, but exhibited to you in your native tongue. Here you will easily detect the errors of Popery, and learn the true doctrine of the Gospel.” The credulity of multitudes accepted with joy the proffered boon ; the new teachers were hailed as apostles

commissioned by heaven ; and every old *woman*, both male and female, that could read, became an adept, if not in the knowledge of the Bible, at least in the prejudices and errors of its translators.

It is not for man to dispute the wisdom of Providence, and arraign at the bar of his private judgement the means which God may choose for the diffusion of religious knowledge. Otherwise, I must confess, there appears to me something very unaccountable in the scriptural blunders of the apostles of the reformation. The object, they said, of their mission was the dissemination of evangelic truth. If the Holy Spirit selected them for this important office, he must also have gifted them with the true knowledge of the scriptures, and, if he gifted them with the true knowledge of the scriptures, it seems to follow that he ought also to have granted them the power to make a true translation of the scriptures. The apostles of Jesus received the knowledge of tongues, that they might instruct the different nations of the earth : the apostles of the church of England and Ireland ought to have received the knowledge of, at least, the Hebrew and Greek tongues, that they might form an accurate version of the scriptures. Such a version was as necessary to that church, as the instructions of the first apostles could be to the primitive churches of Christianity. If they were apostolical, she was scriptural. However, without speculating on the cause, the fact is certain, not only from the arguments of Ward, but even from the concessions of his adversaries, that the fathers of this *scriptural* church gave it a version of the scriptures **abounding with errors**. And here it may reasonably be asked, **whence arose these errors?** Were they the offspring of ignorance, or design? Dr. Ryan warmly contends for the former, and endeavors to fortify his opinion by the authority of Father Simon : (a) but then, even admitting his assertions, devoid as they are of proof, and liable to objection, what are we to think of the temerity of these men, who, incompetent to the task, and conscious of

their incompetency, still presumed to violate the purity of the sacred volumes, and to obtrude on their unsuspecting disciples an erroneous version as the immaculate Word of God, and as the sole and infallible guide to religious truth? Ward, on the contrary, attempts to show that the more important of their errors were committed by design ; and a curious circumstance it is, highly corroborative of his opinion, that most of their blunders are favorable to their own peculiar doctrines, and unfavorable to those of their opponents. But, if this be true, what judgement can any unprejudiced man form of these saints of the reformation? For my part, I know of no crime more foul in its own nature, more prejudicial in its consequences, more nearly allied to diabolic malignity, than that of designedly corrupting the holy scriptures, and, by such corruption, leading the sincere inquirer into error, and converting the food of life into **the poison of death.**

But, from whatever source, these false renderings proceeded, whether their authors were guided by policy, or misled by ignorance, this must be conceded, that if Ward has fairly established the fact, he is entitled to the gratitude of the impartial reader. The impartial reader, let him be Protestant, or Catholic, will, if his object be truth, thankfully receive the truth from whatever hand may present it to him. Hence, it was with no small surprise that I heard the clamour which was raised against the last edition of the "Errata." In parliament and out of parliament, in news-papers and pamphlets, it was stigmatized as an attempt to vilify the reformation, and to heap disgrace on the Established Church. "it was the work," observed an eminent senator, eminent for the only talent he possesses, that of religious calumny, "**it was the work of one hundred and twenty Popish priests leagued to put down Protestantism.**" Such nonsense hardly deserves notice. If facts are to be hidden from the eye of the public, because they reflect on the character of our predecessors, let history at once be condemned to the flames. The evangelists did not conceal

the treachery of Judas : why should Protestant divines wish to conceal the blunders, or the frauds of the fathers of their church?

To me, it appears, that none among the adversaries of Ward have had the courage, or the honesty to do justice to that writer. His object in compiling the "Errata," was twofold : **Firstly, to prove that the versions of the scriptures on which the established creed was originally founded were extremely corrupt** : and, Secondly, to show that though many errors have been since corrected, there still remain many others to correct. All this however they prudently overlook ; and by an artful confusion of times and persons, by referring to modern Bibles, the charges which he makes against those of a former age, and by affecting to consider his accusation of the clergy of Queen Elizabeth as directed against the clergy of the present reign, they pretend to convict him of misrepresentation and calumny. In this, perhaps, they may act wisely ; they certainly act unfairly. Could they have shown that Ward had attributed to the ancient English Bible errors which it did not contain, or that he had attributed to the present Bibles errors which have been corrected in them, they might have substantiated their charges against him. But this they have not attempted. They content themselves with exclaiming that many of the former corruptions have been corrected, and therefor should not have been mentioned. But why should they not? The very fact of their having been corrected is an unanswerable proof of Ward's assertion. It shows beyond the possibility of a doubt, that, **the church of England, however scriptural, it may pretend to have been in its origin, was in reality founded on a false version of the scriptures** ; a version which was the very *Babel of confusion*, which spoke sometimes the language of God and often the language of men, which had attempted to improve the lessons of eternal truth by the addition of the whims, the ignorance, the prejudices, and the falsehoods of Tyndale, Coverdale, Cranmer, Bishops, Geneva, &c., &c. *

Among the opponents of Ward, the fiercest and the only one who has attempted a full refutation of the "Errata," is Dr. Ryan. His attempt is a consequence of the grant of Ireland which Adrian IV. made to Henry II. Nay, start not, gentle reader ; the most important events may often be traced to remote and almost imperceptible causes. The attempt of Dr. Ryan is a consequence of the grant of Ireland by Adrian IV. to Henry II. By that grant the Ryans lost an extensive property ; (a) and the present Dr. is the champion reserved by heaven to revenge on Popery the injuries which she inflicted on his ancestors six centuries ago. An awful lesson this is, to the ambition of princes!

(a) Ryan's Analysis, p.5. Simon, however, in the passage referred to, does not speak of the English translator in particular, but of the Protestant translators in

particular, but of the Protestant translators in general. This Dr. Ryan has thought fit to conceal from his readers.

* **This is why**, when you compare all of the early versions of the 'bibles,' they all *appear* to be virtually the same, with very little difference, or identical. This is the very proof a designed 'control.'

Go and *compare* at least three versions of Homer, and you will see that, each translators own version, does not even appear the same, as another translators version of Homer; and sometimes it is very difficult to even follow both translations side, by side; which simply proves out, that these ancient words are *fluid* and impregnated with many, many implications and meanings, that are not at all being rendered within our own sacred scriptures.

Emphasis' added are bold and, or in [brackets].

To Be Continued.

Mind- Control

The Dictionary *defines* the word **Mind** as the place where thinking occurs. the word **Control** *means* to regulate, direct *or* exercise authority over. the term 'Mind Control' then refers to a broad- spectrum of psychological- techniques, both internal and external, ranging from simple control of information to trauma-based mind control, designed to regulate, direct or exercise authority over the mind and thus over thinking, feeling and willing.

There are Two Kinds of Mind Control:

Negative and Positive Mind-Control

Negative Mind Control subverts an individual's, a group's *or* a population's ability to regulate, direct *or* exercise autonomous authority over their own thinking, behavior, feelings and emotions with-out their conscious awareness and therefore without their consent. the Objective of Mind Control is to build a conditioned response in the subconscious of the targeted individual, group *or* population. one can also unknowingly program one's own mind with negative programming by repeated negative thoughts, feelings and emotions that build a conditioned response whereby one responds to the newness of the present moment experience with thinking, feelings and emotions rooted in the past as memories that interfere with, obstruct and prevent the full and genuine experience of the present moment,

So-called positive thinking and the application of the principles of mental programming and conditioning for positive change also fall into the category of negative mind control because even though directed towards apparent positive change, they are not in alignment with the highest and true meaning of positive mind control meant for the highest good of all.

Positive Mind- Control is the action of intentional, conscious control of all thoughts, feelings and emotions to maintain a pure, thought-free state of mind that is experienced as Pure Being. Realizing and abiding in this pure state is the goal of all bonafide spiritual practice. this is the holy, natural and original state of Pure Awareness underlying Pure Consciousness, the- substance of all things. this state is without the- blemish, obstruction and limitation of repetitive patterns of thoughts, feelings and emotions that comprise one's mental programming and conditioning and subsequently create one's experiences and circumstances. to be free, one must erase and clean ALL conditioning and programming, ALL patterns of repetitive thoughts, feelings and emotions to zero. how to do this is the sum and substance of the spiritual practice that is the foundation of all religions.

Presumptive Letter – Definition ...

The Type of Letter that One Party Writes to his **Adversary or Opponent**,
Regarding Disputes *in law-ful or Legal Matters.*

The letter author makes his *or* her claims, charges, averments and statements, based only in the truth, fact, valid law and evidence, to the letter recipient. The term *presumptive* is used because the writer presumes that everything he states in the letter is true and correct, unless it is rebutted in writing by the letter recipient, which rebuttal must be supported with true facts, valid law and evidence.

The first and last paragraphs of the letter are the *presumptive paragraphs*, which present a lawful notice and a lawful warning to the letter recipient. **A Sample Text of the FIRST Presumptive Paragraph Follows :**

“ **This letter is lawful notification for you**, pursuant with The Bill of Rights, by the National Constitution, in particular, the First, Fourth, Fifth, Sixth and Ninth Amendments, and The Bill of Rights of the New Mexico Constitution, in particular, Sections 1, 2, 3, 4, 10, 17 and 18, and pursuant to your oath, and requires your written response to me specific to the subject matter. Your failure to respond, within 30 days, as stipulated, and rebut, with particularity, everything in this letter with which you disagree is your lawful, legal and binding agreement with and admission to the fact that everything in this letter is true, correct, complete, not misleading, legal, lawful and binding upon you, in any court, anywhere in America, without your protest or objection or that of those who represent you. Your silence is your acquiescence. See: *Connally v. General Construction Co.*, 269 U.S. 385, 391. Notification of legal responsibility is ‘*the First Essential of due process of law.*’ Also, See: *U.S. v. Tweel*, 550 F. 2d. 297. **‘Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading.’**

This type of letter is very different from the typical letter that most people write to try to resolve disputes. It is used primarily by American Citizens who address unconstitutional, unlawful actions committed against them by any form of government, government officers and/or corporations, which are creatures of the government. Since the author is based only in truth, fact, valid law and evidence, it is virtually impossible for the recipient to truthfully rebut the charges and claims made in the letter supported by truth, fact, valid law and evidence. In the vast majority of such situations, the recipient fails to respond; thus, his failure invokes the lawful warning, by which he admits to the Letter Author’s **Charges**, Fully **BINDING** upon *the recipient*, in any Court, without his protest, objection *or* that of those who represent him, *meaning* his Attorneys.

The **SECOND Presumptive Paragraph** serves as a reminder of *the Cautions* in *The First Presumptive Paragraph* and **Reads as Follows** :

If you disagree with anything in this letter, then rebut that with which you disagree, in writing, with particularity, to me, within 30 days of this letter's date, and support your disagreement with evidence, fact and valid law. Your failure to respond, as stipulated, is your agreement with and admission to the fact that everything in this letter is true, correct, legal, lawful, and is your irrevocable agreement attesting to this, fully binding upon you, in any court in America, without your protest or objection or that of those who represent you.

The author always signs with the words **All Rights Reserved** above *the signature*, as shown below.

All Rights Reserved,

Your Signature / Mark / or Seal

Your Typed / Printed Name or Title / Tital

All public officers are required by law to take oaths and abide by the Constitutional mandates contained within their oaths when conducting their official duties. Therefore, they are required to uphold all aspects of rights secured to the people in the national and state Constitutions and due process of law; thus, have the duty to respond to lawful notification from the people. Their failure to do so is, at minimum, perjury of oath and admission to all charges contained within the presumptive letter. This has proven very effective in resolving issues.

For MORE Information on **The Presumptive Letter Process**, which is the designed to **Resolve Disputes** before court action becomes necessary...,

THANK YOU ...
AMERICAN'S SOVEREIGN BULLETIN NEWS-PAPER
My Sponsor Now For Over Sixteen Years
Thank You For Being There !

I want to Thank You Robert Kelly and the ASBNews-Paper Staff..., THANK YOU!

Thank You for being the only, yes the **ONLY REAL** grass-roots Media that was there, *out Seeking The REAL Story*, who stood with me as a Friend, and gave me a care with-in My STATE Persecution.

While the 'others' in the 'Grass-roots Media' only *talked* about the Story, '**The CRAFT: Their Deadly Game**', having occurred in the very *small* panhandle of West Virginia, My Story, a story which they really, very obviously, knew nothing about; you Robert, instead of this, wrote to me directly, just like an old co-patriot friend, just seeking the **FACTS**. Then, running the Story for four consecutive months, you allowed Me, for the very First-Time, to Speak for My-self. So you were the only one to get the story, let alone to *Get it Right!*

While the 'Others' out there, talked about me, with-in something they actually knew nothing, or very little about, you judged it not. While others Talked about me like the latest 'Tabloid' sensation, you gave me what the true law is all about, and gave me the benefit of any doubt, you not being there, I having to defend the life of a friend and elderly woman.

No doubt, the term 'accused of murder' creates **a Real Draw...**, but the questions still go *un-answered* by all of those 'Other' Grass-roots media... WHO is really responsible for all of this anyway? Hmmm? If nobody wants the answer, '*The Anatomy of A Conspiracy*', cleverly designed to destroy the lives of others, so perfectly timed and planned, then..., we are ALL doomed for more of the same.

I can hear the Talk Show Radio Hosts pounding their open-mikes into heads, trying to convince the people that, they should all embark on that political mission, Step up to the Line and *fight* for the cause of Freedom, but how could they ever justify it, to go and convert their own soul, while this Front-LINE patriot was abandoned to rot in a grave, on a slab of concrete, while sentenced to 'Life-without-Mercy', indeed until cold and till DEAD? So I now under-stand, that it is IMPOSSIBLE to comprehend what the meaning of the word 'FRAMED' means, unless it has happened to **YOU**. And don't you know, that it was all accomplished, by those very same men, who say that they are here to 'Serve and Protect'... the red, the white and blue, the law that isn't true, being brought to you by those ENFORCERS OF COLOR.

I literally made a thousand friends, when I created United Truckers Defending The Constitution, defending our Nation, but I could count on one hand, the ones who were there to help me in my desperate Time of Need.

To Me, YOU are **The REAL American**, Robert Kelly, because your *motto* is the same one that is found within my book too, in Fact, it is the Founding American principle, and that is, A man is always innocent of any *crime*, and to remain free from *accusation*, it be proven a Fact, the *benefit of any doubt* ...

MUST Always Prevail. There is also a *Maxim of law* that says, '**The one who created the strife, is the one who is to be blamed for any strife**', NOT to be '*Tried*' by blind patriot pride. Can any of you really tell me what you would have done if you were there? Especially NOT knowing the FACTS?

I can tell you, someone who gave their life, livelihood and being for 'The Cause' of freedom, is worth saving.

It was government agents, and secret-handshake agents, who infiltrated and then destroyed United Truckers Defending The Constitution, along with, the seven day a week America's Driving Force Radio Program, of which I spent an average of three-hundred-dollars per week for over a year to produce it, and even while doing six-hundred miles a day as a *slave* 'Driver'. But, the government agents were not through, because they then went after ME, along with two older women on a mountain top goat farm, in a *conspiracy* to destroy one and all, it mattered not how, and it was the *ultimate* in the Machiavellian Manipulation, of the Scottish Rite (wrongs), in the highest echelons of the Masonic (dis)Order.

Now, just to give you a clear picture of their own *mind-set*, on what important day did they perform their FATAL deed, when their SPYS moved in the round house next door? Why it was June twenty-fourth, *the Sacred High-Day* in the Scottish Rite of the Vatican Agents. For, within this 'CRAFT' that is the day that is known as St. John the Baptists Day, in celebration of the oc'cult's longest day of the year, June twenty-first, and June twenty-fourth, when the Masonic umbrella organization called, the Grand Lodge of England was formed in 1717. Seventeen-seventeen, when they attempted to put the head of John, the Baptist back on! ALL of this, in a FAILED ATTEMPT to turn back the clock two-thousand years, attempting to destroy, the very work of Our Christ *or* The True Mosheyach't *or* Messiah.

So tell me are they not *superstitious*; *or* do I need to tell you about April 19th? Don't forget any of this, for only Freemasons think that, only Freemasons should be free in their piracy, while everyone else should be under their thumb of manipulation and control, through blood oaths. Don't forget this, as you CAN'T have Freedom, where there are *secret* Societies and A World Vatican Federation, Babylon 5.

Then, when the Next REAL American is pounded and driven down, deep into that ground, while all of those 'others' simply stand around in unprincipled silence, it will be because, the *majority* of the people who are calling themselves 'Christian' *or* 'Patriot' do even know what those words are supposed to mean; they all still seem to apply, the one, what seems to be the only, and they make it their own, those olde Communist lines of, that same socialist thinking; and perhaps this is because some of them are in FACT, working for THAT *other* side; but the rest of the 'others' who only 'think' this way, are all indirectly, whether they know it *or* not, are, in the end, playing right into their hands, and then fulfill the END of THAT *other* side. Then the others, still remain silent, because they *actually think* that, they will '*some-how*' escape the darkness that has now come and it is already here..., while others like Robert Kelly and I can work day and night, just for this kind, while risking every-thing that we are and own.

I worked for America, and Texas, for over ten years of my life (for two decades now), through-out the decade of the nineties. Held a first militia meeting of REAL Americans, grand parents most, formed the first ex-officio court of common pleas, all to be destroyed by infiltrators/ *agitators*. I had spent everything that I had in My pocket, put My career, business and life's work all on hold, thinking that, in the end, I was doing this all for My family, My brothers and sisters, and neighbors.

But, what was the COST ? It cost me a marriage, custody of my daughter by a *foreign* STATE, my business, my job, two homes, my library of 2000+ books, my car, my cloths, and in the end, thanks to ...

so called 'Christian Patriots', double-agents, My Organizations; thanks to *these*, my reputation, and then ultimately, My Freedom. '**Life With-out Mercy**' that was my retirement reward, just like so many others.

At the **First Trial**, there was not one co-patriot there in the court room behind me, other than the woman who I defended. It was quite an awakening, I can tell you. While, each and every local Newspaper Article, contained over twenty misstatements of Fact, *or* Out-right lies.

But, I do have One Thing Today, after twenty-six months of torture, with ten plus years of wasted energy, and that is EXPERIENCE, knowledge, and some wisdom, and perhaps, a few conversions along the way. This is something, that no one can take away from you... your experience. I can tell a Destroyer, a phony, a great pretender, just by the things they say and do, if they aren't just plain ignorant. Maybe it comes from Age and *Experience*, but following your **Intuition**. And you know, they never really are willing to do all of those things, that Freedom and peace *require*.

WE must ALL Face the FACTS, every fabric of our society has been infected, and infiltrated by the slime of the earth destroyers, and they don't mind injuring, *nor* murdering others, *or* speaking about others in destructive ways, thus destroying the very costly work of others, by those *Assassins*.

I've lost count of their threats, and I know these neo-socialist now, so very well, like the A.D.L.; British-BAR Hindu-LAW Attorneys; the Secret boys *criminal* club, hear the bag-pipes?; and many of the *corrupted* police who are Now some, the Klan, which is also the Masons.

And I can hear all of the other, wanna-be socialist goose-steppers, who are walking in the L-i-n-e with that old-lang-Zion, goose-stepping to that '*Secret*' music, while they cower, hope and pray, that no one will ever come after them. They simply don't understand how that ever-flipping coin really works.

I know all of those secret organizations so very well now, they are the HATERS of EVERYTHING good, *or* better than they are; they are the sworn Haters of Freedom, on the tits of Lucifer, their Mother; and they are the Haters of those who are willing to speak only the Truth. They love PRIVLIDGE. They will speak their *Evil* AGAINST you because you are good, and because they have made you their ENEMY, they being under *A Deeper Spell of their GOD*.

They will be waging their stinking little wars, and final attacks again tomorrow, and on someone else, just like you and I; then again tomorrow, and the Next Day, and the next, and they are there, because there is always another *sell-out*, who *sold out* against true God and Mankind, someone who can be easily bought, since life is *cheep* to them, all principles are out the window, thanks to that **Secret** Red Dawn.

Then tomorrow, there will be some-one else who will have to pay, while the MAJORITY all stand around idly by, under *some other Spell* that they can't figure out. So which one of 'THEM' is YOU?

You will Know the Truth, and the Truth will make you a Fugitive in Your Own Land

It is an *absolute* law of nature, that when you give your life for helping others, in that greatest time of NEED, that law of nature, it turns right around and it comes back to your aid and your comfort.

I was saved in the end, by **My Great Heavenly-Father of Lyghte**, who brought to my door, a small hand of friends, who fasted and prayed for me, called up the local media, and inspired a good detective to come forward and totally *destroy* the many lies and the MK Ultra game of a totally and absolutely *corrupt* group of officials.... ah hem Freemasons. No, not corrupt, they are Murders and worse than the Mafia.

So, my Friends, *they inspired me*, they gave me additional strength. I didn't help out, *nor* sit with the attorneys, I refused all of their mail, their visits, and I refused everything *for Fraud and for Cause*. I refused to take any prescribed oath to speak on the stand. Yes, I was their captive, but I had them standing captive with-in My innocence with-in My Great-Father's court of diVynne-justice.

So it is True, that if we can only dig, and I mean, really dig, way down deep, deep in-side, while through our own innocence, and see every-thing through that inner-eye, through the pure-vizzion, this will be the time, and this will be when, you can throw off all of those dark black-velvet chains of Blindness, that are found all around you, and ultimately BIND that entire World of the Peon-Age.

So what did The- Crown of Thorns on the Head of The- Christ Symbolize ?

It means, that, no matter how great the pain that you feel, and the mental-anguish that you are going through, we must all hang on, because your long awaited sunrise is just over that horizon, and so, very soon, what was once a crown of thorns, will soon produce the sweetest red fruit that you ever saw, and it is what ultimately leads inn-too a Lyfe, with-inn **A Day-with-out-End**.

And a very **Special** Thank You, must go Out to the Only 'REAL' Americans who I knew at the time, and who stood with me, through my living in the 'Hole' for six-months, the attempts to mentally break you, in a *quazi-military STATE-of-the-Art-of-Torture*, that still remains *ingrained* deep in the mind.

Mind *and* Spirit

The- Battle for the Mind and Spirit of we the people rages on,
just like A Blazing Pyre : The *Weapons* that we face, and are up against, are *dis-information*, **Media propaganda**, the *Control* of our own direction and our Diction, censorship, *Secret* alliances all within *dark covenant societies*. For this reason, the World as we all know it, will soon come to an End, and all wyth-in a Total Ignorance and in an obscure thick Cloud of Darkness.

So, Never Stop Asking those Very Important Questions, but then, keep on *questioning every answer*. Do *your own research*, become One wyth-in your-self, but then, *draw* upon your own conclusions, since tomorrow, it never comes, we only have **Today...** be in the **Now**. It is True, we must all learn the proper way to live, and then make peace wyth-inn Our-selves, wyth-inn **The Here and The NOW**
